What we do today and what we plan to do?

**EDUCATION PROJECT**

**OBJECTIVE- GOAL**

- **First Goal:** Benefit people with Autism, improving through education and literacy, their quality of life with *early detection* tools and through *training to professionals*. Teaching materials in *kits and technology tablets*. *Robotics* for learning.
- **Second Goal:** The improvement of a multipurpose room.

**AREA OF FOCUS**

- Basic Education and Literacy

**SUSTAINABILITY**

- The training in the areas of education and technology, will expand our current action and ensure the continuity over time of this project

**SOCIAL IMPACT AND BENEFICIARIES**

- Up to now, our management supports 200 autistic children from low-income families
- **Goal:** 1,000 Young Children and Adults
